

## HISTORY OF AWARDS OF MARCÉ SOCIETY (Update Nine Glangeaud, 7 September 2016)

### In the 2014 Constitution : AWARDS AT THE BIENNIAL CONFERENCE

- 15.1 **Marcé Medal:** As proposed by the President and Officers, the Board will award a Marcé Medal every two years. The Marcé Medal will be awarded to an individual in recognition of a major contribution to the aims of the Marcé Society.
- 15.2 **John Cox Medal:** As proposed by the President and Officers, the Board will award the John Cox Medal at the Biennial Conference for distinguished service to the Marcé Society.
- 15.3 **Channi Kumar Lecture:** The President of the Biennial Conference will nominate the person who will give the Channi Kumar Lecture and will inform the Board of the choice.

### Marcé Medal

"The Marcé medal was minted with a grant from Boots Pharmaceutical Co and is given on behalf of the current President and Executive Committee to a person who is thought to have made an outstanding contribution to either the clinical care or research activities in the field of Perinatal mental health. The first recipient was James Hamilton, the second Channi Kumar." Dixit Margaret Oates (reported by Nine Glangeaud)
