

Croeso I Gymru – Welcome to Wales!
“Creating Change in Perinatal Mental Health”
September 10-12, 2014- Swansea University, Wales, United Kingdom

International Marcé Society Biennial Conference on Perinatal Mental Health

“Creating Change in Perinatal Mental Health”

September 10th – 12th 2014

Swansea University, Wales, United Kingdom

Submission site open for Posters until 18th May

We are pleased to invite you to participate in the 2014 Marcé Society's Biennial Conference taking place in Swansea, Wales, 10-12 September, 2014. The 2012 Conference in Paris, France was a great success with nearly 800 attendees from 48 countries. The theme of this year's meeting will be *Creating Change in Perinatal Mental Health*. This meeting is open to scientists, clinicians, nurses, midwives, health visitors, and anyone who cares about perinatal mental health and the impact it has on mothers, their infant, family and society.

Over 200 abstracts have been received for oral presentations, workshops, symposia in all 31 topics. There are 10 plenary speakers to include Vikram Patel from India, Michael Meaney from Canada, Lynne Murray from Italy, John Cox from England and Marie-Paul Austin from Australia.

Swansea has been compared to the Bay of Naples, is the home of Dylan Thomas the poet, and is close to the famous Gower Peninsula and Rhossili Bay, voted the 9th best beach in the World! We have the seaside, castles and mountains. We also speak Welsh and are famous for our cockles and laverbread breakfasts! Just 3 hours by train from London... we can be a world away.

To register visit: www.swansea.ac.uk/marce

For individual queries, please contact: Dr. Jane Hanley- v.j.hanley@swan.ac.uk
