

The UK
& Ireland
Marcé
Society
for Perinatal Mental Health

UKIMS Annual Meeting 2019

Thursday 19th September 2019

The Athenaeum, 107 Pall Mall, London, SW1Y 5ER

Join a range of professionals at a Central London venue to discuss the latest developments in perinatal mental health.

The meeting will provide an excellent opportunity to:

- Hear about innovative academic research and pioneering clinical practice.
 - Present your own research or clinical developments.
- Be involved with experts from multiple disciplines in discussing ways of improving the mental health of mothers, their infants and their families.

Meeting fees (including registration, refreshments, and lunch) are:

- Marcé Society Members - £35*
- Non-members - £85

*Membership costs \$80 USD (£60) for silver members or \$20 USD (£15) for student members.
www.marcesociety.com

To submit an abstract for a proposed oral or poster presentation, please email Professor Vivette Glover (v.glover@imperial.ac.uk).

The two best presentations will be awarded a prize of funding to attend next year's international meeting of the Marcé Society in Iowa, USA.

Please register in advance via Eventbrite:

<https://ukims-meeting-2019.eventbrite.co.uk>

Why Become a Member of the Marcé Society?

- Discounted registration fees for other national and international Marcé Society conferences
 - Opportunities to become a committee member
- Members-only newsletters and email updates on meetings, novel findings, stories and features from specialists in the field
