Laura Miller  
Executive Office  
International Marcé Society for Perinatal Mental Health

Dear Laura,

I am delighted to submit my nomination for a General Board position with the International Marcé Society. Please find attached my CV and photo. Endorsements from Lisa Segre and Jane Honikman will be sent to you directly, as suggested.

This is a wonderful opportunity for me to contribute to the Society in a more tangible way and to continue to learn from international leaders in perinatal mental health. I look forward to sharing my research, teaching and policy knowledge with the International Executive and members, extending my national and international collaborations, and applying this combined expertise for the ongoing benefit of women, children and families.

Please do not hesitate to contact me if there is anything further you require.

Kind regards

Nicole
