

The UK
& Ireland
Marcé
Society
for Perinatal Mental Health

UKIMS Annual Meeting
Thursday 30th September 2021
Virtual Event

Call for abstracts!

Join a range of professionals in an online event to discuss the latest developments in perinatal mental health.

The meeting will provide an excellent opportunity to:

- Hear about innovative academic research and pioneering clinical practice.
 - Present your own research or clinical developments.
- Be involved with experts from multiple disciplines in discussing ways of improving the mental health of mothers, their infants and their families.

Admission to this online event is free for all Marcé Society members.

*Membership costs \$80 USD (£60) for silver members or \$20 USD (£15) for student members.
www.marcesociety.com

To submit an abstract for a **proposed online presentation**, please email Professor Vivette Glover (v.glover@imperial.ac.uk).
There will be prizes awarded for the two best presentations

Why Become a Member of the Marcé Society?

- Discounted registration fees for other national and international Marcé Society conferences
 - Opportunities to become a committee member
- Members-only newsletters and email updates on meetings, novel findings, stories and features from specialists in the field
